

Distance learning program

The distance learning program package includes:

- NEUROGES[®] book I with theoretical background and guide to applying NEUROGES[®] in empirical research (343 pages, print version): Lausberg H. (Ed.). Understanding Body Movement. A Guide to Empirical Research on Nonverbal Behaviour. With an Introduction to the NEUROGES Coding System. Frankfurt/Main: Peter Lang Verlag, 2013.
- NEUROGES book II with the complete research coding manual (366 pages, print version): Lausberg H. The NEUROGES[®] Analysis System for Nonverbal Behavior and Gesture. The Complete Research Coding Manual including an Interactive Video Learning Tool and Coding Template. Frankfurt/Main: Peter Lang Verlag, 2019.
- Podcast seminars of the NEUROGES training
- NEUROGES[®] -ELAN template
- Interactive video learning tool with video examples for each movement and gesture type (NEUROGES[®] values) (PC and Mac versions)
- Four NEUROGES[®] -ELAN training movies with correct solutions
- NEUROGES[®] online exam and feed-back
- NEUROGES[®] certificate (after successful participation in the exam)
- Personalized Supervision:
 - concerning ELAN: see <https://tla.mpi.nl/tools/tla-tools/elan/>
 - concerning NEUROGES[®]-ELAN template and NEUROGES coding: k.reinecke@dshs-koeln.de; i.konstantinidis@dshs-koeln.de;
 - concerning complex theoretical and research questions on NEUROGES[®]: h.lausberg@dshs-koeln.de
 - in case of extended questions, we request an additional fee for supervision of 60 Euro per hour

The package fee is 350 Euro. After purchase, the NEUROGES[®] coding manual, the NEUROGES[®] book, and the interactive training CD will be sent to you by post. For the other materials you will be granted a password-protected access to the log-in area of the NEUROGES[®] website.

For participation in the distance learning program please contact the training organizer Corinna Klabunde (c.klabunde@dshs-koeln.de).
