

Distance learning program (Self-study)

You need:

- NEUROGES® book I with theoretical background and guide to applying NEUROGES® in empirical research: Lausberg H. (Ed.). Understanding Body Movement. A Guide to Empirical Research on Nonverbal Behaviour. With an Introduction to the NEUROGES Coding System. Frankfurt/Main: Peter Lang Verlag, 2013. <https://www.peterlang.com/document/1067495> (e-book: **free download**).
- NEUROGES book II with the complete research coding manual: Lausberg H. The NEUROGES® Analysis System for Nonverbal Behavior and Gesture. The Complete Research Coding Manual. Frankfurt/Main: Peter Lang Verlag, 2019. <https://www.peterlang.com/document/1110847> (e-book: 84,85 €).

You find on <https://neuroges.neuroges-bast.info/> (login area):

- Additional lecture material
- NEUROGES® -ELAN template
- Four NEUROGES® -ELAN training movies with correct solutions

After self-study:

- NEUROGES® online exam and feed-back
- NEUROGES® certificate (after successful participation in the exam)
- Personalized Supervision:
 - concerning ELAN: see <https://tla.mpi.nl/tools/tla-tools/elan/>
 - concerning NEUROGES®-ELAN template and NEUROGES coding: s.vonau@dshs-koeln.de; d.marchioni@dshs-koeln.de
 - concerning complex theoretical and research questions on NEUROGES®: h.lausberg@dshs-koeln.de
 - in case of extended questions, we request an additional fee for supervision of 60 Euro per hour

The fee is 150 Euro. After purchase, you will be granted a password-protected access to the login area of the NEUROGES® website.

For participation in the distance learning program please contact the training organizer Corinna Klabunde c.klabunde@dshs-koeln.de
